Coronavirus Outbreak

It is likely that the next two months are going to be a difficult and challenging time for parishioners.

Of course, all of us will be doing our best to keep ourselves and family free of infection. There may be some amongst us, the elderly and vulnerable who do not have family, friends or carers to support them. More than ever, this is a time we need to look out for such neighbours and get help where necessary.

Contact bandnewsletter@aol.com if you need any assistance.

Don't forget, **Dunn's Dairy** are in our area each **Tuesday** and **Saturday** selling milk, dairy products and eggs – delivered to your doorstep.
